## Access from Any Device, Anywhere, Anytime

The Employee Portal offers a modern, easy-to-use interface that works across smartphones, tablets, laptops and desktops. It makes it easy for you to access the information you need, when you need it.

## Your Information at Your Fingertips

After your onboarding has been finalized with ESI, you will have access to your information in the Employee Portal. You can view your personal contact information, tax withholding preferences, paystubs, direct deposit account information, paid time off balances, benefit elections, and employee handbook, among other employment information. When it is time to print your W-2, you will access it through the Employee Portal as well.

## Login to the Employee Portal

Your login information for the Employee Portal is the same Username and Password that you created when you registered to complete your onboarding online. If it is the first time you are accessing the Employee Portal, click Register.

We recommend bookmarking this site for easy access: <https://edu-ep.prismhr.com/>

You can also access the Employee Portal by visiting ESI's website at [educationalservicesinc.com](http://educationalservicesinc.com) and clicking on the Employee Login button at the upper right.

The screenshot shows the ESI Employee Portal login page. At the top left is the ESI logo with the tagline "Retain Experience. Reward Excellence." Below the logo are two input fields: "Username" and "Password". Below the password field is a text box with contact information: "For assistance with registering or logging in to the Employee Portal, please contact us at hr@esiaz.us or 480-719-3271 or Toll-Free at 844-614-7784." Below this are two buttons: "Log In" (in a blue box) and "Register". At the bottom are two links: "Forgot Username?" and "Forgot Password?". At the very bottom is a "Language" dropdown menu set to "English".

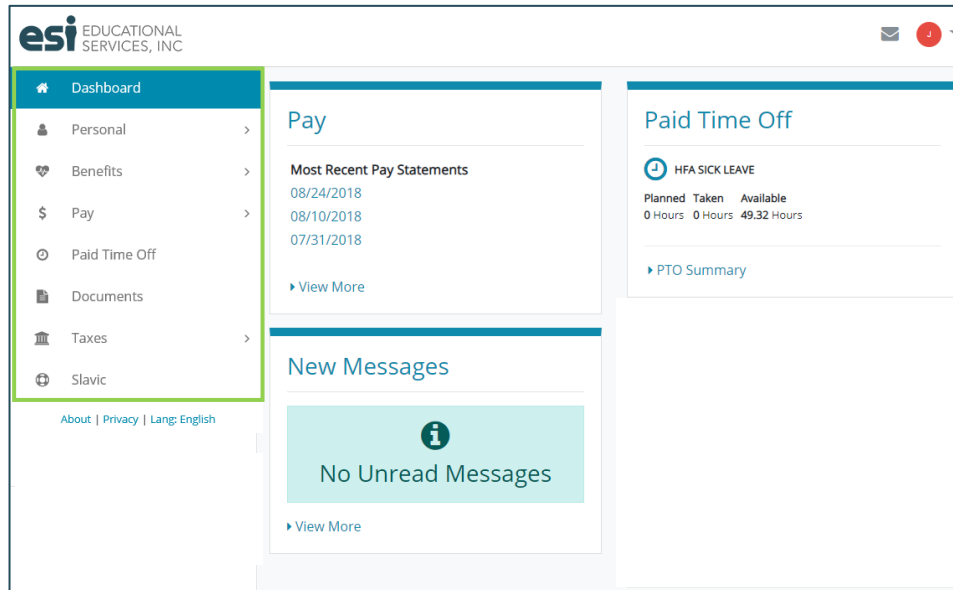

The screenshot shows a message box with the text: "\*If you are an employee in multiple ESI districts, you will choose which company to view upon logging in." Below the message is a smaller version of the ESI logo and tagline. Below the logo is a dropdown menu labeled "\* Choose Company" with "Select One" as the selected option. Below the dropdown are two buttons: "Log In" (in a blue box) and "Return To Login".

If you forgot your username or your password, you can click "Forgot Username?" or "Forgot Password?" on the login page. You must know the email that you registered with to utilize these help features. If you need further assistance, please contact us.

\*If you work in multiple districts, you will be asked to select which Company you would like to view your information in.

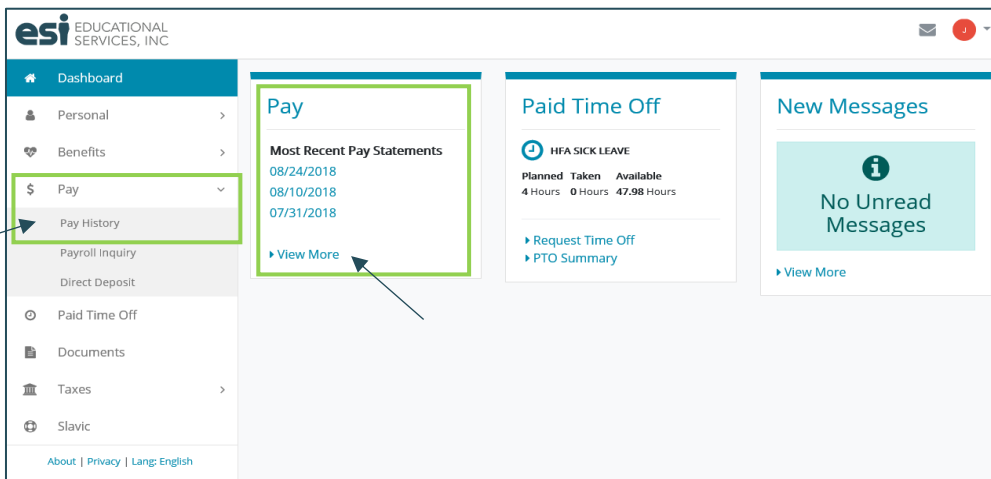

**\* WARNING:** If you are making any changes to your personal information, direct deposit accounts, or tax withholding preferences, you must make the change in **each** of the districts you work in if you would like it applied across **all** your employee records. Or, please contact us so that we may ensure the change is applied to your employee record in each of your districts.

## View Paystubs

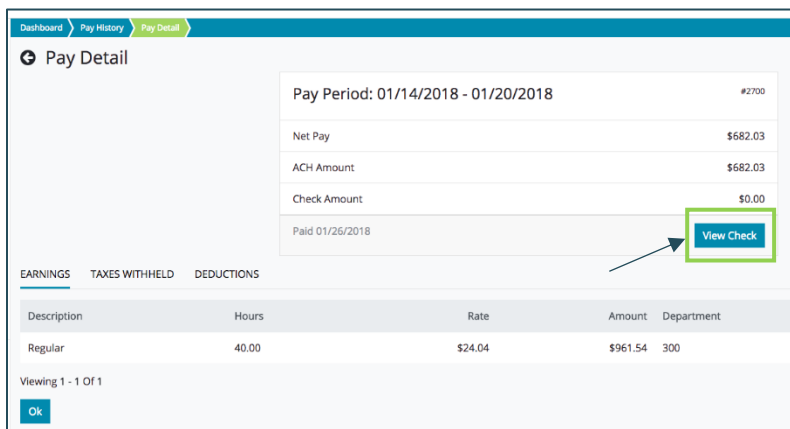

- Click on **Pay > Pay History**, or, from the Dashboard, select one of your most recent pay statements, or, click **View More** to get to your Pay History

- In Pay History, you may select the Year in the upper right corner
- If you have more than 10 lines of pay vouchers, you may need to click to the next page in the bottom right corner (see image below)

- Click anywhere on the line of the pay voucher you would like to view, and the Pay Detail will appear for that pay voucher as below

- Click **View Check** to view the actual check voucher in PDF form.  
*Hint: you may need to "allow" your device to open a new browser window to view it.*
- Select **Print**  
*Hint: this will vary depending on the device you are using. You may be able to right click on the page and select Print, or from Adobe Reader, click File > Print, or click on the Printer icon.*

## Direct Deposit (Pay > Direct Deposit)

### Direct Deposit Methods

- **Remainder:** Select this method when you want your *entire* net pay amount (or the *remaining balance*) to be deposited into this account.
- **Fixed:** Select this method when you want an *exact dollar amount* deposited into this account (assuming the net pay amount is greater than or equal to that amount).
- **Percent:** Select this method when you want a specific *percentage* of net pay to be deposited into this account. You can also enter the Maximum, which would be the maximum dollar amount deposited into this account.

### Helpful Hints:

- If you want your entire check to be deposited into one account, add one account and select *Remainder*.
- You can add as many accounts as you would like. If you add multiple accounts, you must select how you want your net pay deposited among the accounts. For example:
  - If you select *Fixed* for Account A and you want the remaining balance to be deposited into Account B, you must select *Remainder* for Account B.
  - If you select *Percent* for Account A, and you want the remaining balance to be deposited into Account B, you must select *Remainder* for Account B.
- You can view the status of your Account -- will either be Pending (in pre-notification) or Active status. Keep in mind that while in pending status you will receive a live check.
- Any changes made must be saved. You will be required to agree to the Terms and Conditions for Direct Deposit each time a change is made to your account(s).

**\* WARNING:** If you are making any changes to your direct deposit accounts, you must make the change in **each** of the districts you work in if you would like it applied across **all** your employee records. Or, please contact us so that we may ensure the change is applied to your employee record in each of your districts.

The screenshot displays the ESI Educational Services, Inc. portal interface. The left sidebar contains a navigation menu with 'Pay' highlighted. The main content area is titled 'Direct Deposit' and features a warning banner: 'Select an account to make changes'. Below the banner is a 'Bank Accounts' section with a 'Test Calculator' link. A table lists one account: 'Checking' with account number 123456789, routing number 122100024, deposit method 'Remainder', amount 0, and status 'Pending'. An 'Add Account' button is located below the table. The footer of the page includes 'About | Privacy | Lang: English'.
